WORDPRESS DEVELOPER

Dedicated Freelance WordPress Developer with extensive experience in website design, development, and customization. As a Level 2 Seller on Fiverr, I have completed over 300 projects with a 5-star rating. My expertise includes working with multiple page builders, especially Elementor, and addressing bug fixes and HTML/CSS needs. I also possess a graphic design and SEO background, enabling me to create comprehensive and effective digital solutions for my clients.

KEY COMPETENCIES

WordPress Development	Website Design & Customization	Strong interpersonal skills
Elementor, Divi, WPBakery, Oxygen	HTML/CSS/jQuery	Proactive and self-motivated
SEO Optimization	Excellent communication skills	Exceptional organisational skills

PROFESSIONAL EXPERIENCE

Jun 2021 - Present

Fiverr

Freelance WordPress Developer

Working as a full-time Freelance WordPress Developer on Fiverr, I have completed over 300 orders with a 5-star rating. I have extensive experience using multiple page builders, including Elementor, to develop websites. Implemented SEO best practices to improve website visibility and search engine ranking. Managed client communications, project timelines, and deliverables to ensure high customer satisfaction.

Schuja IT

Oct 2022 - Jun 2023

Web Developer

Focused primarily on developing and customizing WordPress websites using Elementor. Handled bug-fixing, ensuring websites functioned smoothly. Developed websites using HTML and CSS, maintaining high standards of code quality and performance. Assisted in the training and onboarding of new developers.

The Expertz

Oct 2020 - Apr 2021

Web Developer

I worked as a web developer, focusing on WordPress websites using Elementor. My role also involved bug-fixing and developing websites using HTML and CSS.
